

ERIK SIMKINS

Erik is a design-focused, process-loving, freelance content producer with experience in advertising, film, and television.

DIGITAL PRODUCTION ARTIST

Brooks Sports, Costco Wholesale, Oxford University Press, ABM Inc.
January 2017 - April 2020

Create and alter digital designs using senior-supplied assets or creative direction. Curate metadata and permissions on digital asset management systems. Coordinate with external vendors. Perform studio photography, styling, and retouching for products; automate and batch high-volume imagery.

VISUAL CONTENT PRODUCER

Fox, TNT, NBC, MTV, etc.
January 2011 - January 2019

Produce still images for use as publicity and graphic assets for network shows and feature films. Manage visual & budgetary expectations with producers during continually changing landscapes. Achieve productivity goals without interrupting other processes. Early career (2011-2013) involved office, wardrobe, and camera PA-work for commercial units.

PRODUCTION VIDEO EDITOR

Danita Delimont Stock Agency, Hand Crank Films, MAQ Software
September 2017 - January 2019

Produce final cuts. Digitize various analog file formats. Edit long-form projects into easily workable project files. Transcode clips to match specifications of various outlets. Alter live-text in After Effects to localize content.
