Skills & Abilities

MANAGEMENT & LEADERSHIP

- In the Navy as a Petty Officer 3rd Class, I was in charge with around 20 personnel in insure proper watch standing, mechanical duties performed, cleanliness of work spaces, proper uniform wear, and over all safety to everyone around me. In the Army, as a prior military Non Commissioned Officer (NCO), even as a Specialist I was given respect from what I've done in the Navy but not the rank. I was ask my opinion on various platforms. I chose not to become an NCO again due to medical reason. I'm not do what I say only type. I'm do what I say because I can and I've done what I'm asking you to do type.

SOFTWARE

- Adobe Premiere Pro/Adobe Photoshop/Adobe Media Encoder/Microsoft Power Point/Microsoft Word

EQUIPMENT

- Canon Rebel T5/5D MK II/7D/Arri Light Kits/Panasonic HMC 150

TRADITIONAL

- Storyboard Artist/Script Writing/Illustration/Painting (Acrylic, Oil)

Experience

PRODUCTION ASSISTANT | LEFTFIELD PICTURES-AMERICAN GRIT | DEC 2015 – JAN 2016

- Conducted normal P/A duties as well as help construct scene objects for different episodes.

P/A, 2ND ASSISTANT CAMERA | FIRESHOE PRODUCTIONS | JULY 2015 – SEP 2015

- Prepared footage for commercial series. Conducted camera operations during auditions, researched and scouted locations. Assisted 1st Camera and DP (Director of Photography), changed lenses on Alexa camera, and slated takes. Filled out camera reports and insured safety during Ronan camera operations.

MILITARY

UNITED STATES ARMY – 63 B LIGHTWHEELED MECHANIC – OCT 2002-MAR 2006

Specialist (E-4) with secret clearance. Conducted mechanical duties on Light and Heavy wheeled vehicles. Was on a security team which searched for I.E.D.s, I.D. checks, and over all base safety. Medically discharged Honorable.

UNITED STATES NAVY- ENGINEMAN 3RD CLASS PETTY OFFICER – APRIL 1995-APRIL 2000

Petty Officer 3rd Class (E-4) with secret clearance. Conducted mechanical duties in the Auxiliaries and Diesels on two ships. Was on a fire repair team during both at sea as a Number One Nozzleman and in port as the On Scene Leader. Honorably Discharged.

*was in IRR (inactive ready reserve) after the Navy. Was attending the Art Institute of Seattle for Graphic Design for a quarter and a month before deciding to take a break then 9/11 happened and I went back in the military as soon as I could. I had to get a medical waver. I have a total of 11 and a half years in the military between the two branches.
