Graduated June 2020

- Major: English (Creative Writing)
 - Minor: Architecture
 - GPA 3.81/4.0
 - Coursework: Advanced Prose, Advanced Verse, Architectural Photography, Architectural Design
-

WORK EXPERIENCE

Northwest Film Forum, Seattle, Wa

Internship – Programming and Copywriting

December 2019 – June 2020

- Critically reviewed film submissions, took notes, researched reviews, and made conscientious insights
- Communicated with filmmakers and community partners
- Brainstormed with the marketing and film programming teams; drafted eye-catching film descriptions
- Assisted with programs onsite, including film introductions, guest check-in, and general event support

The Daily of the University of Washington, Seattle, Wa

Writer

June 2019 – June 2020

- Published articles in a newspaper both print and online
 - Enthusiastically contributed to meetings with fellow reporters to brainstorm on succeeding publications
 - Seamlessly worked with editors to review articles for accuracy and clarity
 - Easily worked with tight deadlines
-

PROJECTS

ByDesign 2020

Film Festival, Northwest Film Forum

March 2020

- Curated a festival of international films exploring how architecture and design impact social dynamics globally and hyper-locally, working under Art Director Rana San
- Combined a knowledge of architecture and passion for film to generate provocative, intelligent conversation between selected submissions
- Researched documentary film to better understand the genre and assemble an impactful program
- Responded swiftly to unprecedented COVID-19 circumstances by shifting to an entirely virtual platform

Children's Film Festival Seattle 2020

Film Festival, Northwest Film Forum

May 2020

- Collaborated with veteran programmer Elizabeth Shepherd to curate a festival of international films for children
 - Integrated features, short films, and hands-on experiences to explore the journey of childhood and inspire younger generations to become agents of change
 - Coordinated corporate sponsorships and grassroots publicity to generate record-setting attendance
-
