Profile

Experienced Motion Picture Studio mechanic (Grip), working with the Local 52 IATSE Union Hall for over 8 years. I have experience in 3 categories, namely, construction, rigging, and shooting. My goal is to become a union member or brother to assist with employment needed to achieve the task assigned, and to further hone my skills in a professional and proficient manner. While working with the Local 52, I plan to learn more trades of the craft as well as being knowledgeable, and resourceful to achieving further tasks in my career.
