Professional Summary:

As a Firefighter/EMT, it is my duty to respond to all 911 events and provide fire suppression, rescue tactics and medical/lifesaving skills to the best of my ability in a timely, proficient, professional and compassionate manner. As an EMT/EMS instructor, my goal is to properly teach, coach and train and all students the proper and necessary skills up to the BLS level in preparation for a career in EMS for both pre-hospital and in hospital settings. As part of preparing students, it is necessary to develop a culture where they will be able to work seamlessly with all other EMS workers regardless of agency.

Education:

Joel E. Ferris High School
4020 E. 37th Spokane, Wa 99223

Diploma Earned (1995)

Eastern Washington University
Cheney Washington

Three years completed towards Bachelor's degree in Social Studies and Secondary Education.
