Profile

Chris Goodmanson is a Production Designer/Art Director with years of experience working on over 350+ various projects in Commercial, Music Video, and Television Specials, from small to big-budget projects.

He thrives on the Director and Production Designer collaboration. He is thrilled to deliver and work to exceed the original concept. A proven track record of achieving on-time, on-budget, and on-spec project completions—collaborating through the creative process from concept to completion with the Director and production team, including set design, permanent installations, fabrication design, tactile, and immersive design.

Whether it's a big-budget project or a time and money budget-constrained project, Goodmanson has demonstrated all projects will have the same focus on detail and project success.
