OUR MISSION

We are committed to diverse & inclusive casting, while telling authentic stories through all project mediums.

We Cast Actors, Real People *...and everything in between.*

What's that you say? You need to find the impossible? We don't believe in the impossible. If you need it, we'll find it.

Seasoned, local West Texas cowgirls who have mastered steer riding & wild cow milking?

We got you.

Star name talent who can bring needed clout to your indie film passion project?

Been there, done that.

Ethnically ambiguous, comedic OCPs moments before they're discovered by SNL?

Our favorite scenario.

5 diverse C-level employees who rely on a brand's specific product or feature?

Not a problem.

But don't worry. If you've got an easy casting, we're totally into those, too!
