

# CHERICE HOGAN

## PRODUCTION DESIGN

### EXPERIENCE

#### AUCTION BOARD MEMBER | Seattle Public Schools | Fall 2019 - Spring 2021

- Auction item lead: created descriptions and captured photos of auction items for the brochure and website.
- Collaborated with auction team on strategies, acquisition, and finances for the fundraisers that raised between \$150 - 250,000.

#### SCHOOL VOLUNTEER | Seattle Public Schools | September 2018 - Present

- Served on the Parent, Teacher, and Student Associations of elementary, middle, and high schools.
- Room parent for childrens' classrooms; acting as a communication liaison between school/teacher and classroom families.
- Assisted during lunchtime and recess with the monitoring and safety of students, as well as weekend food bag pickup from the food bank for students.

#### PROJECT MANAGER | Reed Street Productions | Fall 2011 - February 2012

- Facilitated the design, construction, and installations of commercial office space.
- Selected textiles and furnishings for a shared workspace.

#### CO-CEO | WarWear, LLC | March 2009- January 2013

- Led a team of 4 and generated sales of \$1M using military-centric marketing campaigns.
- Developed a partnership with the fastest growing obstacle race in the industry, generating greater sales through exclusive merchandise.
- Facilitated online order processing and worked in partnership on new designs.

#### FAMILY MANAGER | January 2008 - Present

- Expertly juggled multiple projects and priorities by overseeing the health, academic, and extracurricular activities for four children during a 15-year period, often independently while spouse was deployed or away for work.
- Strong advocacy and organizational skills as evidenced by successfully navigating interventions & accommodations for children with special medical and educational needs.

#### KITCHEN & BATH DESIGNER | American Home Interiors | December 2006 - December 2007

- Through in-home visits and in-store appointments, measured clients' spaces and worked with clients to discuss designs.
- Utilized 20/20 design program to create floor plans for customers' kitchen, bath, and closet designs and hand drafting for perspective drawings.
- Acted as project manager and collaborated with contractors on kitchen and bath installations and renovations.

#### DESIGN CONSTULTANT | Bassett Furniture | June 2006 - December 2006

- Assisted customers with furniture and finishing selections, often creating floor plans and design textile boards.
- Collaborated with management to create a visually appealing showroom through furniture and accessory arrangements and purchases.
- Attended in-home consultations and measurements of customers' homes.

#### KITCHEN & BATH DESIGNER | The Home Depot | June 2004 - June 2006

- Coordinated with contractors on the installs of kitchen and bath designs.
- Utilized 20/20 design program to create floor plans for customers' kitchen, bath, and closet designs and met with customers to review designs and assist with textile and finish decisions.
- Assisted throughout the store, particularly in appliances and home decor.

### Profile

I am a qualified and experienced interior designer who is also skilled in numerous art mediums. I have several years of experience as a volunteer and event planner which allow me to be able to operate under pressure, collaborate with a team, and work within a budget and strict timeline. My objective is to obtain an MFA in Set and Film Design from an esteemed institution that challenges me creatively and pushes me to excel beyond my comfort zone in design and film. I want to collaborate with those in the industry to gain experience and learn from a hands-on approach.
