PROFILE

Hello! I'm Sarah, a freelance senior producer with 7 years in commercial and corporate video production. I partner with creative agencies to bring big ideas to life—from concept through delivery. My work spans commercials, documentary case studies, brand videos, and more. Known for being both calm and warm, organized yet adaptable, I empower my teams to do their best work while delivering impactful projects on time and on budget.

WORK EXPERIENCE

Freelance Producer + Director

June 2024 - Present

Sarah Dymond LLC

- Produced and directed commercial, corporate, and branded content for various production companies. Notable clients include: Starbucks, Alaska Airlines, and the Seattle Mariners.
- Managed client comms, crew and equipment, shoot logistics, overseeing timeline, budget, and final deliverables.
- Pitched creative, directed talent, line producing, and post producing.

COLOR Creative

Nov 2021 - June 2024

Producer

- Led end-to-end production, managing budgets up to \$500K and cross-functional teams up to 30 crew members.
- Collaborated with clients to translate creative concepts into production-ready plans, ensuring alignment on vision, scope, and delivery. Notable clients include: Amazon, Google, and Xbox.
- Streamlined workflows across pre-production, on-set, and post.

Johnnie Studio

May 2020 - Oct 2021

Producer

- Led mixed-media campaigns across video, photography, and web design for tech, retail, and consumer goods brands.
- Collaborated with creatives and clients to craft multi-platform campaigns. Notable clients include Microsoft and Condé Nast.
- Oversaw production to ensure creative, technical, and brand standards across deliverables.

Amazon

June 2019 - May 2020

Content Marketing Manager

- Produced product and lifestyle photography for AmazonBasics, coordinating with imaging studios in Seattle and Shanghai.
- Managed creative teams across video, stills, copy, design, 3D renders, and product detail pages.
