Can operate: car, truck, box truck, ambulance, snowmobile.

With over 30 years in the medical field, Ashley brings a wealth of knowledge to your set. Ashley is a dually licensed Registered Nurse and licensed Massage Therapist in Washington State, as well as being a retired EMT-IV Technician. Ashley worked for 17 years primarily on a 911 emergent response ambulance. She has additional experience with Wilderness First Aid, Search and Rescue, Snowmobile Rescue, fixed and rotor patient transport. She specialized in wound care as a home-health nurse. Ashley has been a massage therapist specializing in sport medicine and injury recovery for 24 years.

No matter the size of your production, unexpected medical needs can arise. Having a designated Set Medic ensures the safety and well-being of your cast and crew. Ashley is prepared to handle emergent injuries as well as illnesses and ailments on set. Maintaining safety and supporting both cast and crew's ongoing health is Ashley's priority. All while contributing a cheerful disposition and generous nature.
